Team Meetings

The team meetings are an important part of the Tres Dias method. We would like all team members to attend all meetings unless you have been excused by the Rector or Rectora in advance. We would ask that if you live farther than 100 miles from the meeting location that you make two of the four team meetings and if you live within 100 miles make 3 of the 4 team meetings. Please do not miss the final meeting at the camp.
